# 1. Executive Summary

WhiteWolfWifHat (\$WOLF) is a community-driven arctic meme token built on the Solana blockchain, representing quiet strength, pack loyalty, and long-term resilience.

The white wolf wearing the iconic Wif Hat symbolizes a community of holders building together through transparency, fairness, and shared momentum.

By combining Solana's high-speed infrastructure with fair launch mechanics and strong liquidity protections, \$WOLF aims to grow into a recognizable and trusted meme brand within the Solana ecosystem.

## 2. Key Highlights

- Fixed supply: 1,000,000,000 \$WOLF
- Zero trading taxes
- Mint authority revoked
- Freeze authority revoked
- Liquidity burned after launch
- Built on the Solana blockchain

### **3. Vision**

The white wolf represents strength, resilience, and unity.

In nature, wolves survive harsh environments through cooperation and loyalty within the pack.

\$WOLF is designed as a community-first meme token focused on fair distribution, strong liquidity protections, transparent smart contract mechanics, and long-term community growth.

## 4. Why Hold \$WOLF

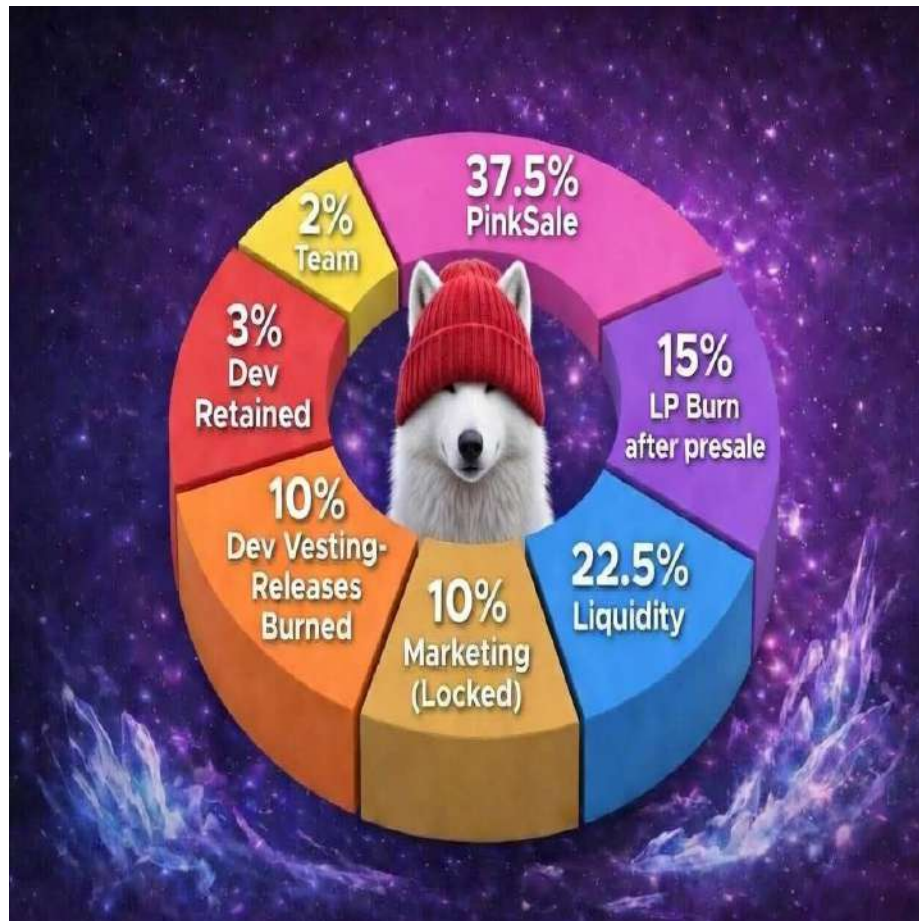

**Strong Security** – Mint authority revoked, freeze authority revoked, liquidity burned.

**Fair Launch** – Transparent presale via PinkSale with balanced token distribution.

**Community Driven** – Meme-driven growth powered by the Wolfpack community.

**Solana Ecosystem** – Near-instant transactions and extremely low fees.
